ASSOCIATION AIMS, OBJECTIVES & PURPOSES

TO STIMULATE and encourage more extensive use of Bituminous Concrete in the construction of Highways, Streets, Roads, Airports, Parking Areas and Driveways.

TO CULTIVATE friendly relations and cooperative effort between the members and governmental agencies and other similar organizations and associations.

TO PARTICIPATE in matters of civic betterment and welfare.

TO STIMULATE public interest in the benefits, safety features, economies and other benefits accruing through the use of Bituminous Concrete Materials.

TO ADVOCATE sound planning in highway construction and maintenance to insure a maximum benefit from the expenditure of public funds.

TO GATHER information from available sources resulting from extensive research relative to the manufacture and use of Bituminous Concrete and to disseminate such information among its members and the general public.

TO PERFORM all desirable and lawful functions for the efficient, constructive and beneficial operation for the general welfare and benefit of Association members.

TO PERFORM all lawful functions for the advancement and benefit of the Bituminous Concrete Industry in Wisconsin.
