

GETTING THERE ON TIME IS ALWAYS IMPORTANT

DRIVABILITY MATTERS

"When I'm meeting my girlfriend for dinner, roadway construction means missing our reservation. It's frustrating, but only an inconvenience. When I'm on the job, a delay can be the difference between life and death. With asphalt, construction typically happens at times when fewer cars are on the road, and the delays are counted in minutes. That matters."

-Lee Look | Fireman | Boyfriend
