Encouraging Words

“We can’t kick the can down the road any longer,” said Sen. Alberta Darling, co-chairwoman of the committee. “I know we’ve said that before – but we can’t.”

“Many people look at a gas tax as a user fee. I think we should have all the options on the table,”

Encouraging Words

“We might need to revisit where ours is at,” Nygren said, noting that neighboring states Michigan and Iowa recently increased their gas tax rate.
