

Transportation Update

Kristina Boardman

Secretary

Wisconsin Department of Transportation

Wisconsin Asphalt Pavement Association Annual Conference

December 3, 2024

WisDOT Priorities

- Committed to build on progress:
 - Share WisDOT's work to improve safety and mobility
 - Support workforce with ongoing opportunities for engagement
 - Maximize BIL funding opportunities
 - Support continued investment in transportation safety
 - Strengthen tools to deliver safe and efficient self-service options

Making Progress in Wisconsin

- Upgrades since 2019:
 - 8,600+ miles of roads
 - 2,000+ bridges
- 400+ highway projects, multimodal work planned in FY2025
- 2023-25 biennial budget third in row to increase revenue
 - Supports specialty programs like LRIP, ARIP, structures inventory

I-894 paving, Milwaukee County

State-Funded Programs

- Local Roads Improvement Program (LRIP)
 - \$174M for 1,003 projects to improve deteriorated county, town and municipal roads
 - Budget added \$100M in supplemental funds

- Agricultural Roads Improvement Program (ARIP)
 - Budget added \$150M to improve roads that provide access to agricultural lands or facilities
 - First round: \$50M for 37 projects in 28 counties
 - Second round to be announced in Dec.

Transportation Projects Commission

- TPC meeting December 9
- Recommending two projects for enumeration:
 - I-39/90/94 – Madison to Wisconsin Dells
 - US 51 North – Dane County

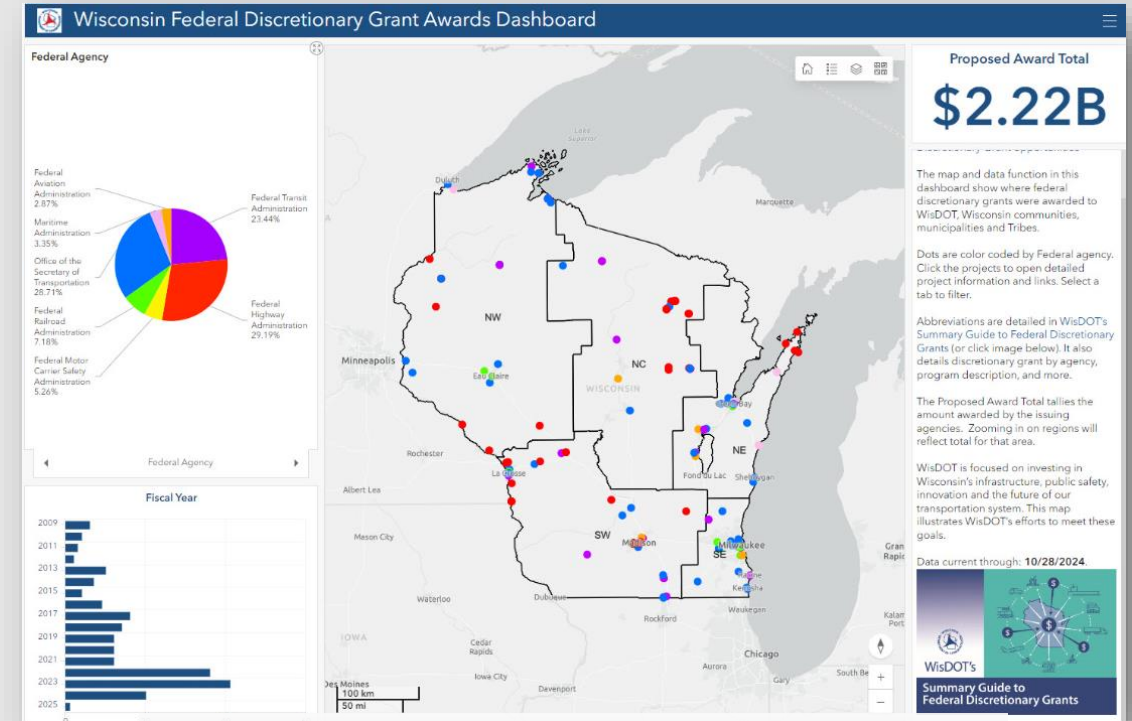

Bipartisan Infrastructure Law (BIL)
